

interface/showStats.h

```
graph TD; A[interface/showStats.h] --> B[iostream]; A --> C[string];
```

A diagram illustrating a dependency relationship. At the top is a dark gray rectangular box containing the text 'interface/showStats.h'. Two blue arrows originate from the bottom center of this box and point downwards and outwards to two separate light gray rectangular boxes. The box on the left contains the text 'iostream' and the box on the right contains the text 'string'.
